Élyse Cousineau
Intern and candidate
for CA accreditation

Élyse Cousineau joined PSB in 2005, specializing in audit and assurance mandates. She is currently completing her Bachelor's degree at UQAM. Élyse was hired for her academic excellence and outgoing personality.

"When the recruitment fair was taking place at the university, I was searching for a growing accounting firm that would enable me to fully benefit from my internship. Furthermore, I was searching for a firm that would help me to best develop my professional skills. I had no desire to sit back all summer and watch others do the job; I wanted to be part of a team, gaining hands-on experience. Sure enough, PSB has provided me with this opportunity. PSB is comprised of competent professionals who gave their time and energy to properly train me in an array of fields related to my studies. Right away I knew that my efforts were making a difference, and I became an integral part of the firm."

PSB provides an extensive business network, a specialized workplace and a stimulating work environment.

You provide the will and the motivation.
